1. **Part I: Foundations of Anthropological Praxis** provides an overview of the history, theory, and methods of anthropological praxis. This section includes chapters on the history of anthropological praxis, the ethical challenges of anthropological praxis, and the role of theory in anthropological praxis.
2. **Part II: Anthropological Praxis in Action** presents a series of case studies that illustrate the application of anthropological praxis in a

variety of settings. These case studies cover a wide range of topics, including health, education, development, and environmental conservation.

3. **Part III: Anthropological Praxis and Social Change** examines the role of anthropological praxis in promoting social change. This section includes chapters on the role of anthropological praxis in social movements, the use of anthropological praxis to challenge oppression, and the potential of anthropological praxis to create a more just and equitable world.
4. **Part IV: The Future of Anthropological Praxis** explores the future of anthropological praxis. This section includes chapters on the challenges and opportunities facing anthropological praxis, the need for new approaches to anthropological praxis, and the potential of anthropological praxis to make a meaningful contribution to the world.

Profiles of Anthropological Praxis: An International Casebook is an essential resource for anyone interested in the field of anthropological praxis. The book provides a comprehensive overview of the history, theory, and methods of anthropological praxis, and it presents a variety of case studies that illustrate the application of anthropological praxis in a variety of settings.
