The book also includes tips and advice from experienced combat veterans on how to stay calm under pressure, make quick decisions, and take decisive action. The Compendium of Combat Scenarios is the perfect resource for anyone who wants to be prepared for the challenges of combat. Whether you're a seasoned warrior or a novice, this book will give you the knowledge and skills you need to survive and prevail.

What's Inside the Compendium of Combat Scenarios?

The Compendium of Combat Scenarios is divided into four main sections:

- 1. **Close-quarters combat:** This section covers scenarios that take place in close proximity, such as hand-to-hand combat, knife fighting, and room clearing.
- 2. Long-range firefights: This section covers scenarios that involve shooting at targets from a distance, such as sniper fire, machine gun fire, and rocket-propelled grenades.
- 3. **Urban warfare:** This section covers scenarios that take place in urban environments, such as street fighting, building clearing, and hostage rescue.
- 4. **Guerrilla warfare and counter-terrorism:** This section covers scenarios that involve fighting against irregular forces, such as guerrilla warfare, counter-terrorism, and hostage rescue.

Each section of the book includes a variety of scenarios, each of which is designed to challenge readers and help them develop the skills they need to survive and prevail in combat.
